INTELLIGENCE MEMORANDUM

Pueblo Sitrep No. 15
(As of 1200 EST)

1. No significant political developments have been reported since Sitrep 14.

2. Military action in the DMZ area declined in the twenty-four hour period ending at 0445 EST 28 January (see Sitrep 13). One ROK soldier was slightly wounded in a brief firefight in the 2nd Infantry Division sector. No other casualties were reported. Nevertheless, the continued high level of North Korean reconnaissance flights over Wonsan and adjacent coastal areas, as well as movement and spotting activity north of the DMZ, indicates that North Korea continues to maintain a high state of readiness.
